

Types D, E, F, FM, 2F, F9, interface connectors I/U

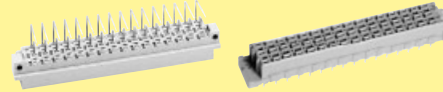

Page

Technical characteristics types D and E 03.10

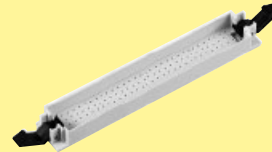

Type D connectors 03.11

Type E connectors 03.15

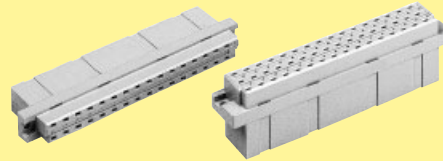

Pin shrouds for type E 03.20

Application examples type E 03.21

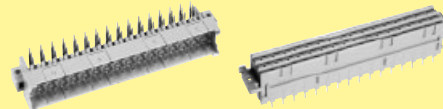

Technical characteristics piggyback connectors 03.22

Piggyback connectors 03.23

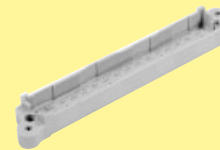

Technical characteristics types F, F9, FM and 2F 03.26

Type F connectors 03.27

Pin shrouds for type F 03.36

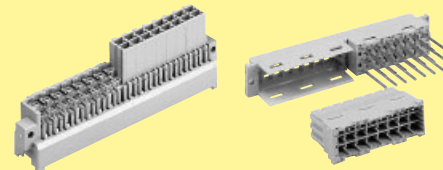

Application examples type F 03.38

Type F9 connectors 03.41

Type FM connectors 03.42

Type 2F connectors 03.44
